Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The examiner suggested the applicant to incorporate the limitation that the sintering powder layer attached to substantially an entire internal surface of the bottom lid and wherein the woven mesh is integrated with the sintering powder at bottom corners of the heat pipe in to claim 1. The proposed claim would define over the prior art of record. However, the proposed claim would raise a new issue that would require further consideration and updated search. Applicant is required to file an RCE for the proposed amendment to be entered.
